8 CE Hours are required within every certification renewal term. Use this form to keep track of continuing education hours as you earn them. Keep this with your other certification documents, and upon certification renewal, send it to ICPI with other required renewal forms and payment. Renewal notices are sent a few months prior to your expiration date.

Do not send copies of your attendance certificates to ICPI unless requested. If your certification record is audited, you will be asked to provide proof of attendance from the provider, such as a certificate of attendance, so make sure you get some sort of documentation for every program you attend. If audited, failure to provide proof of attendance could result in suspension or revocation of your certification.
