Concrete Paver Installer Course

About the Course
The two-day classroom-based course equips individuals currently employed in the segmental concrete pavement industry with training on proper installation of interlocking concrete pavement systems. Participants have the opportunity to pursue certification and industry recognition after completing a separate application form that includes installation experience.

The following topics are covered:

- Safety
- Job planning and documentation
- Job layout, planning and material flow
- Soil characteristics and compaction
- Base materials
- Edge restraints
- Bedding and joint sands
- Selection and installation of concrete pavers
- Maintenance and management
- Construction tips

Reasons for ICPI Training and Certification
- Meet industry guidelines-Learn how to meet or exceed industry established guidelines and best practices for paver installers.
- Reduce costs-What you learn will help you reduce or eliminate costly call backs.
- National promotion-ICPI promotes paver installers in its literature, website and videos.
- Supplier promotion-Many ICPI manufacturer members promote the program to the general public.
- Meet customer expectations-Today’s consumers are more sophisticated and demanding. They expect trades people, including interlocking pavement installers, to meet certain criteria.
- Meet designer/specifier expectations-Design professionals specify installation by ICPI Certified Concrete Paver Installers.
- Benefit your bottom line-Professional instructors will show you how to increase your bottom line through greater installation efficiency.
- Safety
- Job planning and documentation

Who Should Attend?
The ICPI Concrete Paver Installer Course has been designed for all individuals involved in the residential and commercial installation of interlocking concrete pavements, including:
- Company owners and principals
- Job superintendents
- Forepersons and supervisors
- Crew leaders
- Crew members (with minimum one year installation experience)

Why Apply for Certification?
The ICPI Concrete Paver Installer Course imparts the necessary knowledge and industry guidelines required to build pavements using concrete pavers. Going further by passing the certification exam and meeting the minimum installation experience requirements demonstrates that you meet the criteria established by the industry as a true “ICPI Certified Installer.”

Visit www.icpi.org/certification to download an Application for Certification, which can be submitted to ICPI at any time. Certification renewal requires 8 hours of Continuing Education to be earned during each two-year certification term.
