

## Segmental Concrete Pavement Industry Speaker Referral Service Application

The ICPI Segmental Concrete Pavement Industry Speaker Referral Service represents the who's who in segmental concrete pavements and provides organizations seeking to learn more about the benefits of these pavement systems with easy access to the industry experts.

### Qualification Requirements:

- Speaker Referral Service participants are leaders in the segmental concrete pavement industry and should uphold a standard of excellence in all presentations. It is expected that speakers be knowledgeable in the subject matter of which they are speaking.
- Speakers must remain independent in presentations regarding their views on any products, services or processes and maintain discussions in accordance with ICPI established industry guidelines.

Additional information is available at: [www.icpi.org/speaker](http://www.icpi.org/speaker)

Please complete the following application to be considered for the Segmental Concrete Pavement Industry Speaker's Referral Service.

### Section 1: Contact Information

Please complete the following contact information

First Name: \_\_\_\_\_

Last Name: \_\_\_\_\_

Credentials/Degree: \_\_\_\_\_

Company: \_\_\_\_\_

Title: \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_

State/Province: \_\_\_\_\_

Zip/Postal Code: \_\_\_\_\_

Email: \_\_\_\_\_

Phone: \_\_\_\_\_

Website: \_\_\_\_\_

What major airport do you typically travel from?

Name of airport: \_\_\_\_\_

City: \_\_\_\_\_ State/Province: \_\_\_\_\_

## Section 2: Professional Information

Please check all that apply

### Professionally, I am a(n):

- Landscape Architect
- Engineer
- Public Works Official
- Architect Federal Official
- Commercial Developer
- Manufacturer Sales Staff
- Contractor
- Professor

Other (Please specify): \_\_\_\_\_

### I am comfortable speaking to the following audiences:

- Landscape Architects
- Municipal Engineers
- Public Works Officials
- Architects
- Federal Officials
- Commercial Developers
- Hardscape and/or Landscape Contractors

## Section 3: Speaking Topic Preferences

### I am competent in speaking about the following topics (check all that apply):

#### Architect:

- Green Roof Applications using Interlocking Concrete Pavers
- Permeable Pavers and LEED V4
- Guide Specifications for Interlocking Concrete Pavement Systems

#### Engineer:

- Interlocking Concrete Pavement Performance for Roads and Streets Applications
- Life Cycle Cost Analysis of Interlocking Concrete Pavement Systems
- Traffic Engineering and Design Using Concrete Pavers
- Structural Design of Interlocking Concrete Pavement
- Systems Permeable Design Pro Software Training

#### Landscape Architect:

- Urban Design with Interlocking Concrete Pavement Systems
- Low Impact Development with Permeable Interlocking Concrete Pavement
- Permeable Pavers as a Best Management Practice
- Commercial Design Considerations with Concrete Pavers

### Section 3: Speaking Topic Preferences (cont')

I am competent in speaking about the following topics (check all that apply):

**Regulator:**

- Sustainable Solutions with Permeable Interlocking Concrete Pavement
- Permeable Interlocking Concrete Pavement as a Stormwater Management Green Infrastructure with Permeable Interlocking Concrete Pavement Traffic Calming with Concrete Pavers
- ADA Design Guidelines for Segmental Concrete Pavements
- Municipal Design Considerations with Concrete Pavers

**Property owner:**

- Permeable Interlocking Concrete Pavement Design, Construction and Maintenance Maintenance and Management of Interlocking Concrete Pavement Systems Segmental Pavement Systems Emerging Design and Technology Trends
- Cold Climate Performance of Concrete Pavers
- Repair and Utility Cuts Using Concrete Pavers
- Mechanical Installation of Interlocking Concrete Pavement Systems
- Port, Airport and Industrial Design Applications using Concrete Pavers

**Industry:**

- MAP 21 and Permeable Pavers

**Hardscape Contractors:**

- Business, sales and marketing topics applicable to hardscape contractors and distributors/dealers
- ICP and PICP construction/installation/sales
- Equipment and materials related to hardscape installation
- Design of hardscape projects
- Use of geosynthetics in paver systems
- Paver maintenance
- Overlays and paver pool deck installation
- LED and solar lighting
- Specialty cuts and designs with pavers
- Managing crews
- Increasing installation efficiency
- Production rates
- Estimating hardscape projects
- Dealing with taxes and insurances
- Equipment for hardscape installation
- PICP installation
- Crew motivation and management
- Polymeric sands
- Fire and entertainment installations
- Construction of outdoor kitchens
- Paver cleaning and restoration

## Section 4: Availability and Provider and Travel Information

Please check off all that apply

I am available for:

- Keynote
- In-person training/seminars
- Conferences Webinars
- Demonstrations/hands-on
- Other (please specify): \_\_\_\_\_

Are you or your company/organization an approved provider for any of the below organizations?

- AIA – American Architectural Institute
- ASLA – American Society of Landscape Architects
- GBCI – Green Building Certification Institute

## Section 5: Biography

Please include a 250 word (maximum) biography

## Section 6: Honors/Awards/Professional Highlights

Please list any Honors, Awards or Professional Highlights that you would like included in your biography.

## Section 7: Terms and Conditions

**In order to be considered for the ICPI Segmental Concrete Pavement Industry Speaker Referral Service, you must agree to the following terms and conditions:**

Segmental Concrete Pavement Industry Speaker's Referral Service members must:

- Possess the ability to prepare and make public speeches
- Have a record of accomplishments indicative of maturity and leadership
- Strive to make presentation and materials as accurate, current, appropriate, and interesting as possible within the timeframe the presentation is allowed.
- Direct promotion of a company's products or services is not permitted in presentations or presentation materials made.
- Ensure that company logos, product name and branding are limited to the first and last slides of any presentation.
- Recognize that any handouts and information distributed are done with the intent to reinforce the learning objectives.
- Deliver the presentation as it relates to the learning objectives.
- Acknowledge and agree the ICPI Speaker Referral Service is provided only as an education and informational resource by ICPI.
- ICPI will bear no liability for any injuries, damages or losses arising from or incurred by an ICPI Speaker Referral Service participant in relation to any speaking engagement offered by a selected ICPI Speaker Referral Service speaker.
- Acknowledge that the speaker's content is the speaker's own and does not represent or reflect the views or opinions of ICPI. The speaker should include appropriate copyright notices on any materials used to evidence his or her ownership of copyright.
- Must acknowledge receipt of and compliance with the ICPI anti-trust compliance policy

The ICPI Speaker Referral Service is made available by ICPI as an educational and informational resource only. ICPI provides this Speaker Referral Service as a tool for connecting design professionals and industry partners with potential speakers willing to make presentations on the segmental concrete pavement industry.

Inclusion in the ICPI Speaker Referral Service does not constitute an ICPI guarantee or endorsement of the listed speaker, the speaker's company/firm, products or services or any speaker content or materials. ICPI is not responsible for and does not guarantee the accuracy or completeness of any materials or statements used or made in speaker presentations, and is not liable or responsible for the speaker's errors or omissions, statements, claims, or representations made in connection with the presentation.

**ICPI expressly disclaims any and all liability for any injuries, damages or losses to persons or property, including, but not limited to claims sounding in defamation, libel or slander, copyright, patent or trademark infringement, arising out of or resulting from any reliance upon or use of the whole or any part of the content of the speaker's presentation. ICPI makes no warranty, expressed or implied, with respect to the content of the speaker's presentation or any statements made by the speaker. The views, opinions, services or products expressed or provided in any presentation do not necessarily state or reflect those of ICPI.**

### **Section 7: Terms and Conditions (con't)**

**Each Speaker Referral Service participant agrees that he/she and/or his or her company or firm, shall indemnify, defend and hold harmless ICPI and its officers, directors, employees, volunteers and authorized agents, from and against any and all third party claims, actions, causes of action, losses, liabilities, judgments, injuries or damages to persons or property, costs and expenses, including reasonable attorneys' fees and court costs, arising out of or in any way resulting from the participant's presentation and/or the materials used by him or her in connection with the presentation. This Speaker Referral Service participant duty of indemnification is continuing and shall survive the expiration or termination of his or her inclusion on the Speaker Referral Service.**

- I accept the terms and conditions of the ICPI Speaker's Referral Service
